

FIGURE 3-A

Doctorates awarded, by highest parental educational attainment: 1998–2017

Note(s)

Percentages are based on the number of doctorate recipients responding to the item on the highest educational attainment for either parent. Percentages may not sum to 100% because of rounding and because of doctorate recipients who reported "not applicable" for both father's and mother's education beginning in 2004.
